MR. DO!™'s  
WILD RIDE

# MR. DO's WILD.RIDE.

It's time to test your skills on the rails of Mr. Do's WildRide, the exciting new game from Universal, U.S.A. Once again Mr. Do is out to get to the goal while dodging perilous runaway coasters and a variety of obstacles on the track. Ladders are placed strategically along the rails to save Mr. Do and speed him along toward the goal—but even the ladders can be dangerous when the coasters speed by! Removing the fruit from the ladders changes the targets at the goal, and removing the E.X.T.R.A. awards another Mr. Do. If you can make the goal when the lucky diamond appears, you are awarded a replay!

So try your hand at Mr. Do's WildRide and feel the excitement of escaping barreling coasters and climbing the coaster rails. It's an experience you won't soon forget!
